Shut up!!
Gooood morning !!

Right... first off you're going to do three radio stations and then there's interviews at five magazines ...
We're going to Fumi TV this evening for a meeting about the album's progress.

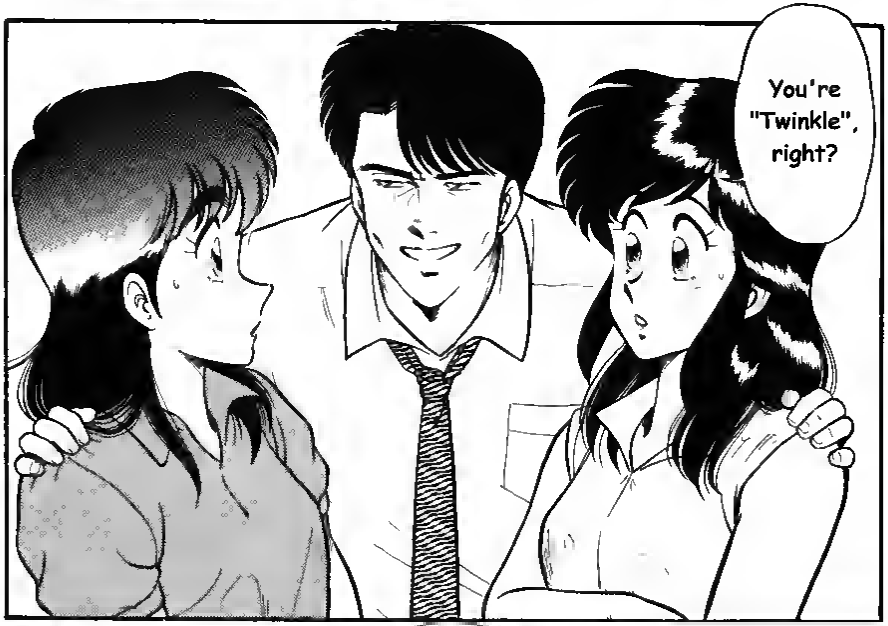
... SO !!
These ideas for the "swim meet" are no damn good!!
We need something... New! Exciting! Different! Come on... impress me!!
Fumi TV Production Dept.
Producer Gotou-san
フミテレビ

Gotou-san, it's gonna be tricky to strip some girl's bikini top off with everyone being so careful
That stunt is getting to be a bit too well known. The regular performers will refuse to go along with it
Swim meet... Another "bikini malfunction" maybe? Flash a nice pair of breasts at the cameras, some crying too?
Rookies maybe?
Shut up! Even if we do get some fresh new faces---
No way !!
Then my little brother ...



You're "Twinkle", right?

"Swim meet" ... What do you think?
